

Quality Policy Statement

Label-form is a high-quality manufacturer of printed self-adhesive labels on paper synthetics substrates and non-adhesive substrates is committed to delivering outstanding labeling products and solutions for a wide range of market sectors. In support of this commitment, the company operates a Quality Management System in-line with the internationally recognised quality management standard, ISO 9001:2015

It is our policy and commitment to:

- Strive to exceed customer and other relevant interested party expectations whilst also satisfying all applicable requirements
- Comply with all applicable requirements including those detailed in ISO9001:2015
- Continually improve the effectiveness of our quality management system
- Establish quality related objectives with appropriate targets and plans for their achievement at Management Review or when opportunities are identified.
- Ensure employees act in accordance with this policy and Label-forms Quality Management System and have the relevant competences to fulfil their quality responsibilities

The Managing Directors are ultimately responsible for this policy and ensuring that it is reviewed for its continuing suitability. This will be achieved through the annual management review. However, it is the responsibility of every employee to adhere to the principles and aims set out in this policy statement as we all contribute positively to the effectiveness of the Quality Management System and ultimately to the customer experience.

Signed
